

# Paediatric Working Party

## Membership

Mike Richards - Chair  
Elizabeth Chalmers - Secretary  
Peter Collins  
Anna Farrell  
Angela Thomas  
Andrew Will  
Mike Williams

The paediatric working party has met twice this year. Activities have focused on completion of the guidelines of management of haemophilia in the fetus and neonate. This has since been published. The current committee has completed its 3 year term of office and the working party is therefore currently in abeyance pending action by the Chair of the UKHCDO.
