Allow 15-20 minutes to get from the bus stop to where you need to be in the hospital.

For further information about buses and tubes, please call Transport for London on 020 7222 1234 (24 hours) or visit www.tfl.gov.uk

By train

Waterloo, Waterloo East, Victoria and Charing Cross are the nearest railway stations, and a 15 minute walk away. For further information, please call National Rail Enquiries on 08457 484950 or visit www.nationalrail.co.uk.

By car

Parking for patients and visitors is very limited, and there is often a queue. The car park is pay on foot so please make sure you have the correct change. You should pay before you return to your car so you have an exit ticket.

The charge is £2.30 per hour or any part of an hour. This charge is applicable 24 hours a day.

Parking is free for disabled patients with an appt, but the patient needs to pick up a form from the main reception and ask one of the clinicians to sign it for them. There are occasions when the car park is full and you will have to wait. There are also 16 free disabled parking bays outside the main car park for visitors and relatives.

Please use public transport whenever possible.

By bicycle

Bicycle racks are located at the front of the main reception along side Gassiot House and next to the Florence Nightingale Museum, both areas are covered by CCTV.

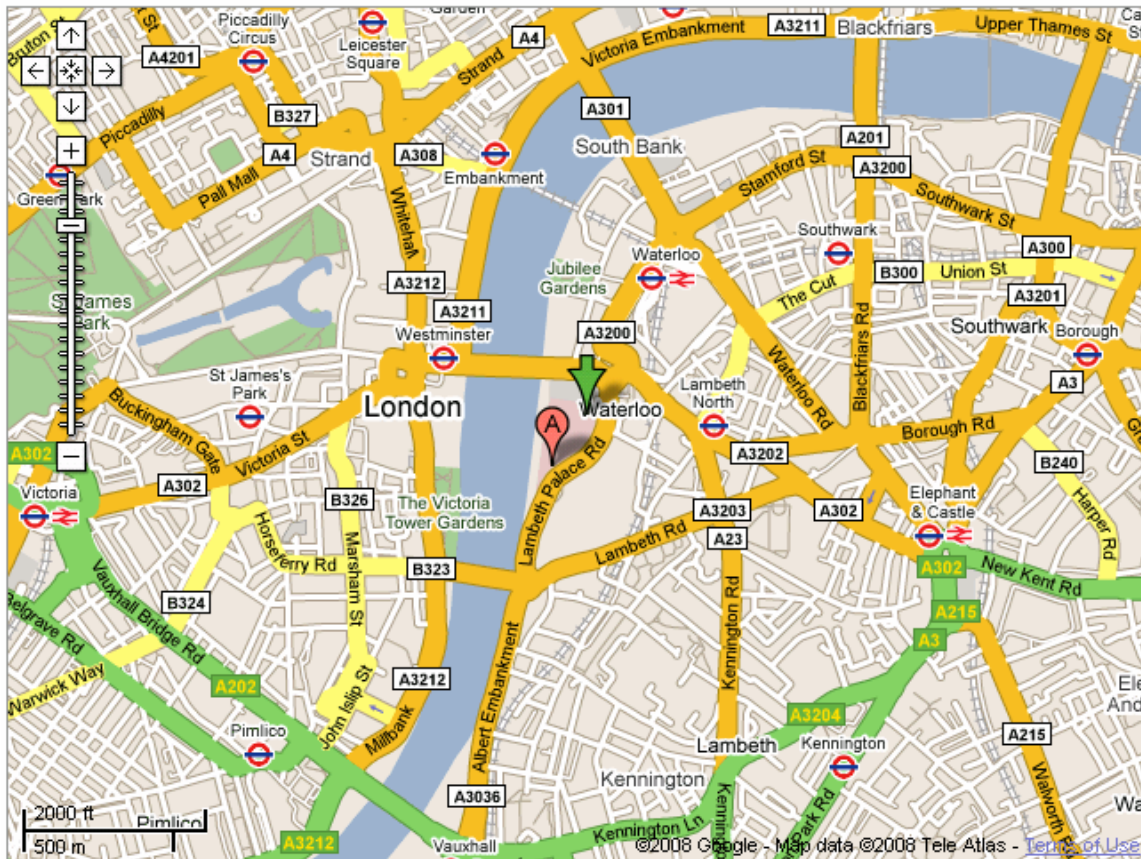

Congestion charge

St Thomas' Hospital is located in the congestion charging zone of London.

Panel Questions

Current Practice in Thrombosis

6th and 7th April 2009

Governor's Hall

St Thomas' Hospital

London

To encourage further delegate involvement and increase the information communicated through the course, the course organisers have dedicated a section of this year's Thrombosis course programme to an expert panel question and answer session. This session will be used to answer questions received from the delegates through the registration process.

Delegates are asked to provide any questions which you would like the panel to answer. If you have any question which you would like to see answered by the assembled expert panel, please complete this form and return with your registration documents. The panel will attempt to answer as many questions within the time allocated.

Delegate Name: _____

Question: _____

Please return this form with registration documents
