The terms of reference for this working party were agreed in September 2018.

## *Lines of Responsibility*

The Co-Morbidities Working Party (CMWP) is responsible to the UKHCDO Executive and Advisory Committees.

The UKHCDO Executive and Advisory Committees approve the terms of reference and approve the remit of the CMWP

The chair of the CMWP - or representative- will participate in the UKHCDO Data Management Working Party (DMWP).

## *Remit*

To consider comorbidity issues in patients with bleeding disorders within the UK and review any unmet need with respect to data collection, guidelines and patient related information / material.

To develop a Work Plan for the CMWP.

To advise the DMWP as to what data the NHD should collect regarding comorbidities in patients with haemophilia and bleeding disorders.

Any publications arising from the CMWP should be approved by the UKHCDO Executive in line with the UKHCDO publication policy.
