Prof Mike Laffan	VWD Working Party

Additional members

Dr Carolyn Millar	Representing Haemophilia Centres
Dr Julia Anderson	Representative for BSHT
Drs. Beatrice Nolan/Niamh O'Connell/ James O'Donnell	Honorary representatives from Dublin

Working Parties

Working party rules

1. When a new Working Party is formed all UKHCDO members will be informed of the terms of reference and invited to nominate themselves or others to Chair or serve on the Working Party.
2. The Chair and executive of UKHCDO will appoint the Working Party Chair from those who have applied to join. Working Party Chairs should not have retired from clinical practice. An individual can only be the chair one Working Party at any one time. The Chair and executive of UKHCDO and the Working Party Chair will agree the Working Party membership jointly and this may include individuals who are not members of UKHCDO.
3. Working Parties may be for a fixed term or roll over continuously. The Advisory Committee will decide this.
4. Fixed term Working Parties are set up for a period of three years, after that they will either be given a one-year extension by the Advisory Committee, lie fallow or be re-formed for a further three years. If a one-year extension is granted then after that time they must either lie fallow or be re-formed for a further three years.
5. For Working Parties that roll over, the Chair of UKHCDO will repeat the invitation for applications to join the Working Party every three years. The Working Party Chair may be reappointed for a second term but an individual can only serve two terms as chair (total of 6 years).
6. The new or reappointed Chair and the Chair and executive of UKHCDO will review the membership including new and repeat applications. There is no limit to the duration of individual Working Party membership but, depending on the number of applications, it is expected that one third of the Working Party will change every three years. The Advisory Group should approve the new membership of the Working Party.

Data Management Working Party (continuous)

Chair & Vice Chair of UKHCDO

Prof Peter Collins

Membership

Will Horsley

Prof Charles Hay

Emma Franklin

David Stephenson

Task Forces

Task Force rules

1. Task Forces are set up to complete a clearly defined piece of work such as writing a guideline. The task should usually be completed within a year.
2. The UKHCDO Chairman will appoint the Task Force Chair who will agree proposed membership with him.
3. The Advisory Group needs to approve the terms of reference and the membership of the Task Force.
4. No Task Force should contain more than two Consultants from the same institution.
5. Task Forces must report on their progress to each Advisory Group meeting.
6. Task Force Chairs are responsible for ensuring the procedure for UKHCDO guidelines is followed or for obtaining permission from the advisory board not to follow the procedure.

Gynaecology Task Force (Est. January 2018)

Chair Dr Nicola Curry Churchill Hospital, Oxford

Membership

Dr Rezan Abdul Kadir	Royal Free Hospital, London
Dr Louise Bowles	The Royal London Hospital
