

## Subject Access Request - Data Subject Form - General Data Protection Regulations 2016

**This form is for persons with a bleeding disorder or other data subject, for example, an employee, who wishes to apply for access to their personal data held by UKHCDO. Please read the Subject Access Request Guidance Notes below before completing this form. A separate form should be completed for each individual person. There is a separate form if you are a representative of the data subject and are applying on their behalf**

NOTE: This is **not** a mandatory form – Subject Access Requests made in other formats will also be accepted, but this form is designed to assist you in selecting the appropriate request and speed up the process of fulfilling your request.

### Subject Access Request Guidance – For persons with a bleeding disorder or other data subject

Please read before filling in the Subject Access Request Form

**Which sections should I complete?**

Sections 1, 2, 3 and 5 should be completed for all applications.

**Section 2 (Proof of the applicant's identity)** – We require proof of your identity before we can disclose personal data. Proof of your identity should include a copy of two documents such as your birth certificate, passport, driving licence, official letter addressed to you at your address e.g. bank statement, recent utilities bill or council tax bill. The documents should include your name, date of birth and current address. If you have changed your name, please supply relevant documents evidencing the change.

If you do not have any of the forms of identity listed, we may in exceptional circumstances accept alternatives for consideration. Please contact us to discuss if this might be an issue for you.

**What information will help with the processing of my subject access request?**

Identification of relevant information will be easier if you can provide any references relating to your personal data.

If you cannot provide us with satisfactory proof of identity, your application will be rejected.

**How long will it take to get my data?**

Your request will be processed within 30 calendar days upon receipt of verification of your subject access request and proof of identity. The information you supply in this form will only be used for the purposes of identifying the personal data you are requesting and responding to your request.

**General Notes**

1. We will acknowledge your application in writing.
2. There is no fee for a Subject Access Request. However, we respect the right to charge a 'reasonable fee' when a request is manifestly unfounded or excessive, particularly if it is repetitive.
3. The documents that you receive may have data redacted (blacked-out) or contain rough notes that may lack clarity. This is because we aim to supply copies of the original records whenever possible. However, as UKHCDO records may also include third party information that we cannot release to you under the General Data Protection Regulations 2016, e.g. another person's information, this is removed accordingly, where appropriate.
4. We will not disclose information by fax or telephone. Disclosure by post is usually made by first class recorded delivery to the address you provide in section 1

**Checklist**

- Have you completed all relevant sections of the form?
- Have you enclosed two pieces of identification from the lists in Section 2 (one from each of A and B)?
- Have you signed the declaration in Section 5?
- Have you provided as much information as possible to enable us to find the data you require?

Please send your completed form and proof of identity to:
